

The Varette

130 Albert Street

Known By The Company We Keep.®

THE BUILDING

Situated between Albert Street and Slater Street, across from the World Exchange Plaza the Varette Building boasts one of the most accessible locations for Ottawa's business, financial or government tenants.

The building features two convenient main entrances that open on to the city's major transit arteries.

Tenants can enjoy the convenience of a boardroom for executive meetings, mini-offices to meet short-term office rental requirements, and a retail concourse on the ground floor featuring other convenient services. The property offers the benefit of on-site property management and four levels of a secure and private parking garage.

ON-SITE PROPERTY MANAGEMENT

As the Property Management office for Metcalfe Realty Company Limited is located in this building, tenants enjoy convenient first class property management and tenant care.

A computerized Tenant Maintenance Request System provides for early response and close follow up for all tenant maintenance requests and other enquiries.

On site Building Manager and Day Engineer.
