## PROPERTY HIGHLIGHTS

OFFICE FOR LEASE | **500 PORTAGE AVENUE** | WINNIPEG, MB

There's an energetic feeling to 500 Portage Avenue, located in the shadow of the vibrant University of Winnipeg campus and all the its surrounding amenities. New investments in 2018 elevated the exterior, lobby, elevators and main floor amenities of this wonderful office building located just on the edge of downtown. Connected to a larger residential and retail complex, as well as the wider neighbourhood, 500 Portage offers business owners and staff convenience and prestige. Retail amenities on site include a convenience store, sushi restaurant, pizza place, bubble tea shop, medical clinic, and barbershop. Parking is available on site and underground, and some of the best bus connections in Winnipeg are located right outside the front door.

As a future office tenant at 500 Portage, you'll enjoy:

Convenience of proximity to every amenity downtown, in Osborne Village, in St. Boniface, on Academy Road AND in the Polo Park shopping district inside of a 7 minute drive, all without having to experience the worst of downtown rush hour.

The vibrancy and energy outside your front door that can only be found around an urban university campus.

Professional on site 24/7 maintenance and the operational expertise of a major Canadian property manager.
