INVESTMENT HIGHLIGHTS

Strategic Location

Kanata North is Canada's largest technology park, home to over 540 companies and more than 33,000 employees. This strategic innovation hub attracts start-ups and multinationals like Nokia, Ford, and Amazon by leveraging a robust talent pool and significant industry clustering. The area offers a range of on-site and nearby amenities, including professional services, fitness studios, various retail and dining options, conference facilities, the CAA/AAA four-diamond rated Brookstreet Hotel, and the championship 27-hole Marshes Golf Course.

Kanata North Economic District

The new City of Ottawa Official Plan outlines a comprehensive policy framework to guide the city's growth and development until 2046. This plan highlights Kanata North as a Special Economic District, aiming to transform it into a globally significant, state-of-the-art economic and mixed-use district. With over 500 hectares of land, Kanata North supports more than 24,000 jobs and aims to increase employment by 25% by 2046. The plan also includes a new mass transit station located on March & Solandt and the O-Train Confederation Line West extension, enhancing transit accessibility and connecting Kanata Research Park to the broader city.

Modern & Amenity Rich Building

The Property is a modern suburban office building that features high-end finishes, providing a premium environment. It boasts large tenant improvements and a contemporary second-floor space, ideal for a dynamic work setting. The high-ceiling lobby offers an impressive entrance, complemented by convenient amenities such as showers and Flo electric charging stations. Additionally, the property provides ample parking offering 157 spaces, ensuring ease of access for all employees and visitors.

Owner Occupier Opportunity

The building is ideally sized for an owner-occupier, offering the perfect opportunity to purchase and utilize the property for their own needs. Designed with expansion capabilities, it offers a business the flexibility to grow within the space as needed.

Professional Owner & Management

The Property is owned and managed by a reputable institutional company with a substantial footprint in the Ottawa region. As a multinational company, the vendor brings a wealth of experience and expertise to the table, ensuring top-tier maintenance and efficient operations.
