Georgian Properties Corporation manages a portfolio of industrial, commercial, and retail buildings throughout the Southern Ontario market. Over the years, we have built some of the most successful business complexes in the province and have accommodated some of the most notable and lucrative companies as tenants during this time.

Georgian Properties Corporation hosts one of the finest property management teams in the country. We pride ourselves on maintaining positive relationships with our tenants and dealing with any property management concerns quickly and effectively. In fact, you will find your experience with our property management team so rewarding that you never want to leave the Georgian family!
