Our Commitment to Wellness & Sustainability

At QuadReal we're committed to leadership in sustainability on a global scale, and right here at home in Canada.

We've set ambitious targets to reduce water, waste, energy and carbon emissions - rigorously tracking our progress using real scientific data. But we know we can do more. That's why we're working to cut 100% of our operation's carbon footprint by 2050. It's part of our pledge to build better communities, places that aren't just good for our customers' wellbeing but for the entire planet.
