

# 240-270, Charest Blvd. East

Quebec City, QC

---

## ZONED REDEVELOPMENT SITE FOR SALE IN SAINT-ROCH

---

UP TO 10 STOREYS PERMITTED

# Property Overview

Cushman & Wakefield is pleased to exclusively present 240-270 Charest Blvd. E. in Quebec City, a rare and highly sought-after 30,000 SF redevelopment site in the heart of the Saint-Roch neighbourhood. The area surrounding the site has experienced exceptional growth, making it one of the most important live-work-play hubs in the city.

The site benefits from outstanding amenities including shopping, hotels, entertainment, restaurants and bars. Furthermore, the site is steps away from the future Jean-Paul l'Allier tram station on Charest Blvd and De La Couronne St.

The project will capitalize on a steady stream of tourists, video game and tech workers, and students.

# Location

Nestled between the historic walls of Old Quebec and the trendy neighborhood of Limoilou, this prime location offers an unparalleled blend of history, culture, and contemporary allure. With its bustling streets, charming boutiques and inviting cafes, the area creates a lively atmosphere that draws in both locals and visitors alike. The site's proximity to diverse dining options, from trendy bistros to international cuisines, ensures a culinary adventure for all. Additionally, the district's thriving arts scene, featuring galleries, theaters, and performance spaces, adds an artistic flair to the area. This site presents a unique opportunity to be a part of the dynamic spirit of Saint-Roch.

## Additional

300 meters away (4 min. walk) from Jean-Paul L'Allier future tram station

# Developments in the Area

Several significant real estate development projects have been completed or announced recently, showcasing the growth and dynamism of the area. Among these projects, we can mention the renovation and transformation of the former Saint-Roch church into a multifunctional space, housing businesses, offices, and entertainment venues. Another major project is the construction of new residential complexes that are expanding the neighborhood and offering modern, high-end housing options to residents. Furthermore, urban revitalization initiatives are underway to enhance accessibility, public spaces, and architectural features in Saint-Roch. These projects reflect the commitment of developers and local authorities to make Saint-Roch an attractive and vibrant neighborhood for living, working, and leisure activities.

# The Offering Process

---

## MARKETING PERIOD

The Property is being offered, through the Vendor's exclusive broker, on an unpriced basis. Offers shall be conveyed to the agency no later than September 22, 2023.

## DATA ROOM

Qualified purchasers, following execution of the Vendors Non-Disclosure Agreement, will be provided with access to the Listing Broker's data room containing available documentation, including but not limited to:

- *Plan of survey (2023)*
- *Aerial Photography*
- *Existing building plans*
- *Tax Bill (2023)*
- *Standard Letter of Intent*

## OFFERING GUIDELINES

**100% Acquisition:** Interested buyers have the opportunity to submit an offer for the outright purchase of the property. Prospective buyers are invited to submit a Letter of Intent (the "LOI") on the standard form as provided by the Listing Brokerage.

**Joint Venture Development:** In addition to the option of acquiring the property outright, we also welcome proposals for a joint venture development partnership. Interested parties can propose a beneficial collaboration with the current owner to create a transformative development project. Prospective partners are invited to submit a Letter of Intent outlining their vision, financial contribution, conditions and all relevant information.

Prospective purchasers should note that the Vendor is under no obligation to respond to or accept any offer for the Property. The Vendor reserves the right to remove the Property from the market and to alter the process described below and timing thereof, at its sole discretion. The Property described herein is to be purchased on an as-is, where-is basis.
